This directory is prepared to help elderly and handicapped persons of suburban Cook County obtain transportation services presently available to them and to be used by referral agencies providing information on services available to elderly and handicapped persons. Lists satellite locations and services provided at these facilities. Describes the health challenges of Cook County residents and the services that the Cook County Department of Public Health provides, including numbers of clinics, school health services, and environmental health services as of 1973. On October 20, 2005, the Cook County Commission on Women's Issues, in partnership with GIRLS LINK, held its annual public hearing on the topic of "Girl Violence and Aggression: Problems and Solutions." This report is based on the information presented by the speakers at the hearing, current research and literature on girls and violence, and the Commission's work with various County agencies.
